## Web Setup

The screenshot shows the 'Add Sea Grass' form on the website. The form includes fields for Scientific Name 1, Scientific Name 2, Scientific Name 3, Description, Barangay, Town, Province, Latitude, and Longitude. There is also a section for uploading photos. An orange line highlights the 'Save' button at the bottom left of the form.

#### 4. Add Seagrass

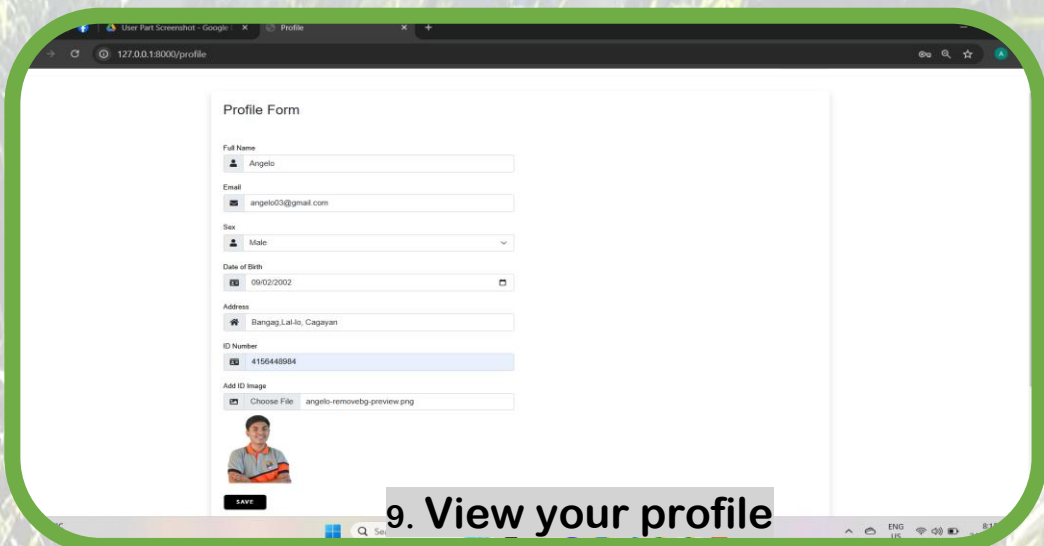

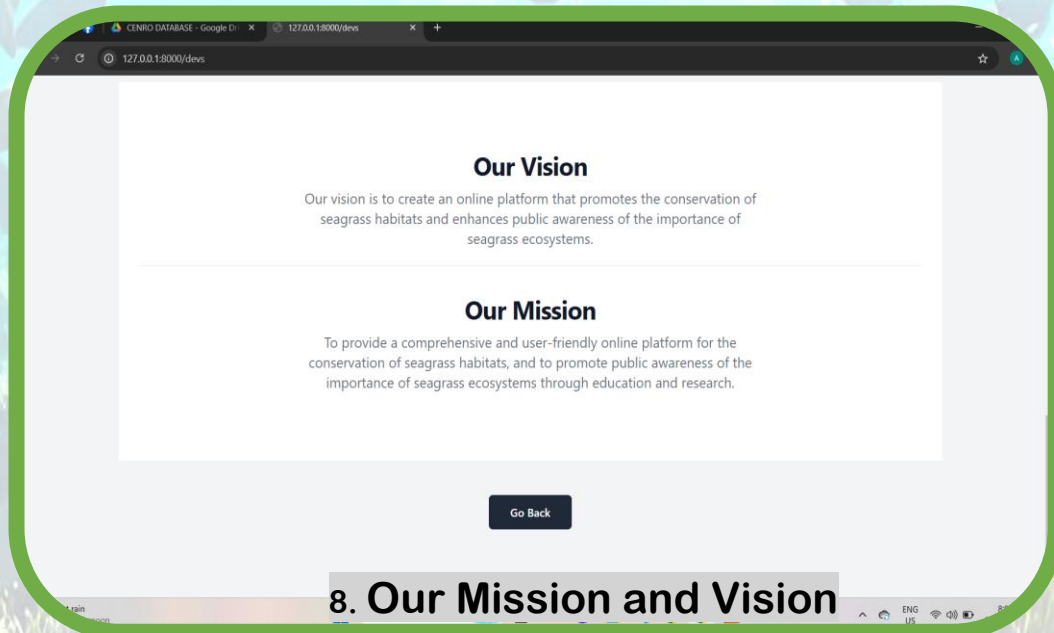

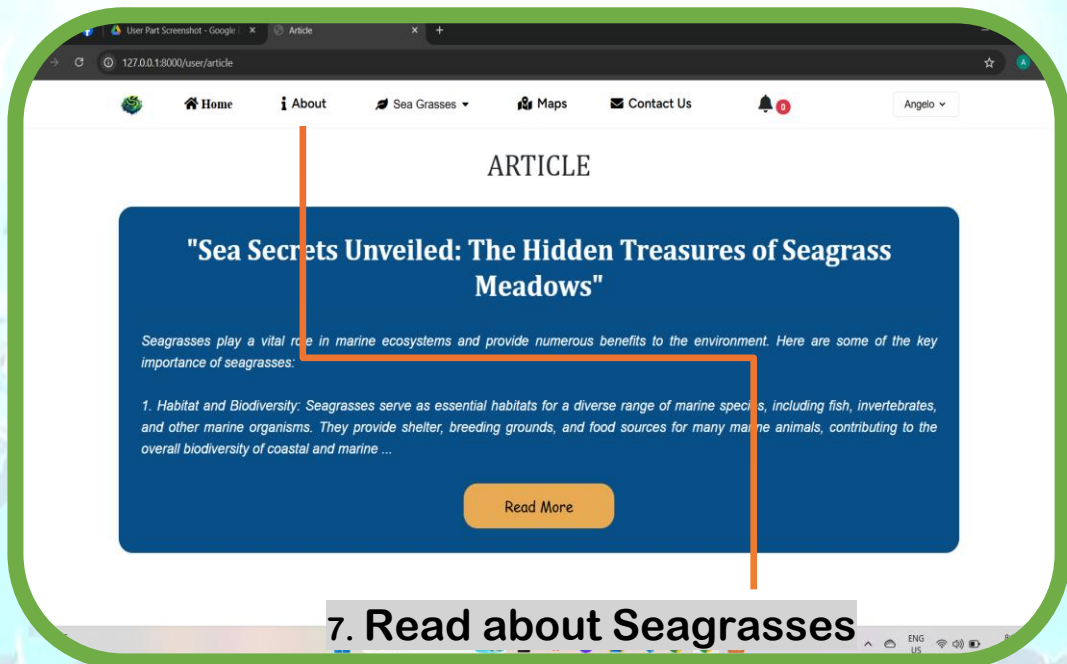

The screenshot shows the 'Add Location' map interface. It features a Google Map with a red pin indicating a location. The map includes labels for 'Jerolynda Resort', 'Camilo Osias Naval Base - San Vicente', 'Cagayan Holiday and Leisure Resort', 'Santa Cruz', 'Palawan', and 'Montana Place'. An orange line highlights the 'Close' button at the bottom right of the map window.

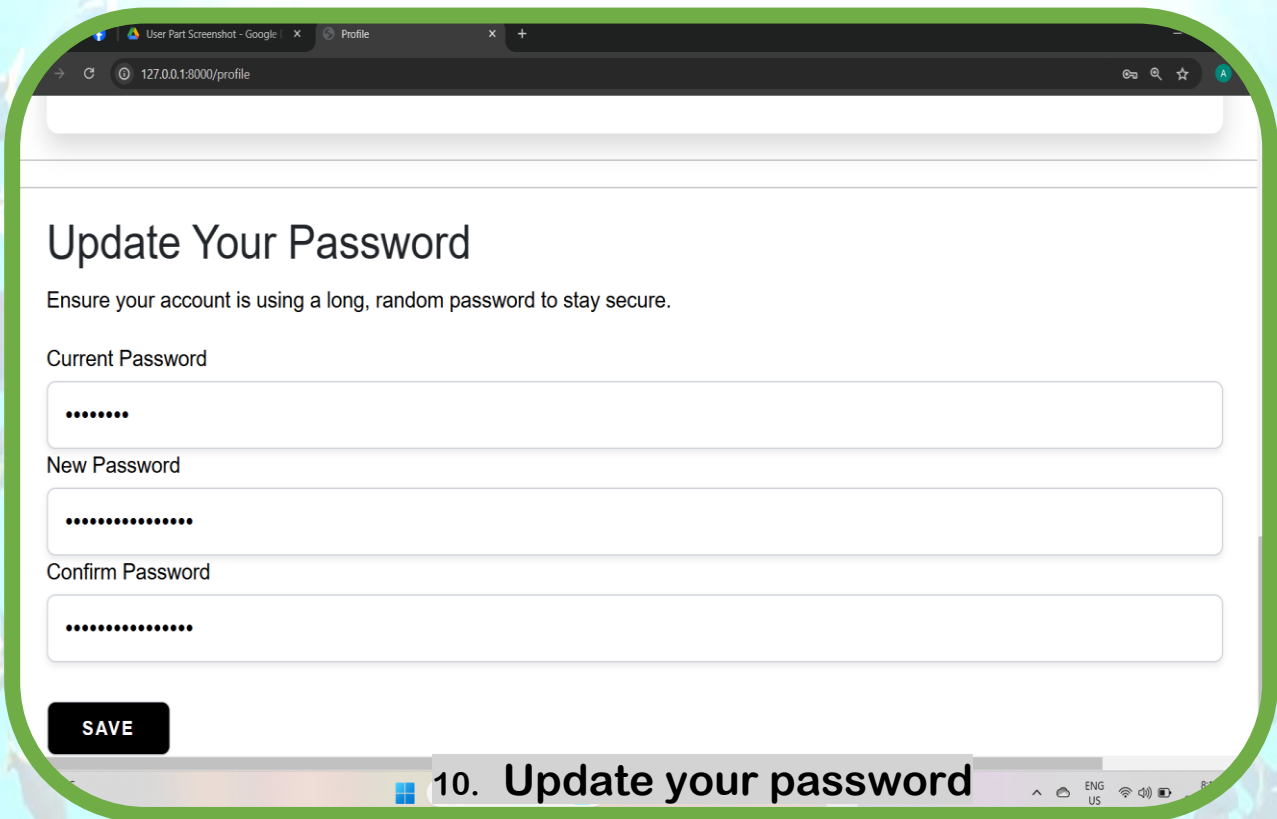

#### 5. Drag and Pin the Location of the Seagrass

The screenshot shows the 'Profile Form' on the website. The form includes fields for Full Name, Email, Sex, Date of Birth, Address, and ID Number. A notification bubble in the top right corner says 'You Have No Notifications!'. An orange line highlights the 'Save' button at the bottom right of the form.

#### 6. View your Pending Request
